

IXIA

CANTIERI DI PISA AKHIR 35S (1990)

I D E A
YACHTING

DESCRIPTION

Ixia is a motor yacht with a length of 34.72m. The yacht's builder is Cantieri di Pisa from Italy who delivered superyacht Ixia to his first and sole owner in 1990. The superyacht has a beam of 7.56m and a volume of 206 GT.

The flybridge yacht features exterior design by Design Studio Spadolini S.r.l, with naval architecture by Cantieri di Pisa. Up to 8 guests are accommodated on board the superyacht Ixia, and she also has accommodation for 5 crew members including the captain of Ixia. The Akhir 35S yacht Ixia has a GRP hull and Mahogany superstructure. She is powered by 2 MTU engines, which give her a cruising speed of 24.5 kn and a top speed of 28.0 kn.

Mint condition! Only one owner since new. The ordinary maintenance and service in generators and engines are done every year. Always kept in a shed during the winter.
