

DESCRIPTION

Cerri 86 FlyingSport perfectly combines the concepts of sportiness and comfort that have always characterized the line: a comfortable and fast open yacht with a flybridge from which you can fully appreciate the pleasure of sailing. Elegance, style, functionality and liveability characterize this boat which goes beyond the canons of the classic boat thanks to simple and innovative solutions.

M/Y WARLOCK is in impeccable condition with an important refit carried out in 2019: new generators and total repainting. New engines in 2021 and M/Y WARLOCK is the only one equipped with 2xMTU 2400 hp with very low engine hours boasting exhilarating max speed 42 knots.

In this boat the traditional day area has now been replaced by two separate salons on two different levels, offering a charming, perspective view from the aft cockpit. A real trademark of this innovative Italian yard.

The panoramic sunroof of this sports yacht, floods the interior with light and a feeling of great openness with a pleasant atmosphere in the lower salon, that can be reached thanks to a central stairway and features a comfortable sofa area and a day head. On the upper level, behind the helm station and the galley, stand a comfortable dining table.

M/Y WARLOCK comfortably accommodates up to 8 guests in her 4 beautiful cabins all with en-suite bathrooms. There are 2 crew cabins, one with a single bed and one with a bunk bed, both with their private bathroom.
