

## DESCRIPTION

---

The Sanlorenzo SL82 motor yacht is easily recognizable with her timeless and unmistakable classic lines which are characteristic of every Sanlorenzo model. Her balanced and well designed shape guarantees long lasting value and a length of 82' offers the space and comfort of a real motor yacht.

This exceptionally well maintained Sanlorenzo SL82 was delivered to his first and sole owner in 2003 and she is the perfect combination of elegance, style and comfort. She is a truly unique vessel, equipped with a hydraulic swimming platform and fin stabilizers.

She can accommodate 8 guests in 4 beautiful and comfortable en-suite cabins + 3 crew members in the bow area to ensure a relaxed luxury yacht experience.

She has impressive speed and great efficiency thanks to her planing hull. Powered by twin diesel Caterpillar V12 engines she comfortably cruises at 25 knots, reaches a maximum speed of 28 knots for an idyllic cruising experience.

This yacht has carried out several refit works between the 2021 season and the 2023 season.
