DESCRIPTION

The Pirelli 1900 design combines personality and character and the lines are the right evolution of the style and philosophy. Sportiness and clean lines give it a unique elegance that can charm anyone.

The deck layout privileges the open spaces, from the surprising living area to the bow sofa. The Pirelli 1900 has been designed in every detail to ensure a comfortable and relaxed life on board. The wide bow sunbathing area offers comfort and safety for those who want to enjoy the sea in its entirety, while the cockpit is equipped to accommodate many guests in complete comfort.

The inner spaces are the result of a search to meet the demands of the owner, with the aim of making the most of any space. Elegance, luxury and convenience are the terms that best describe the result obtained by this process.
