

# SACS STRIDER 13 (2019)

**I D E A**  
YACHTING

## DESCRIPTION

---

A unique motor boat, like its console, also one of a kind, which attracts glances with its imposing appearance. It is thus an ideal model for any sports owner who is looking for a high-performance and spacious boat, but at the same time it is also perfect as a "chase boat" or as a tender for a maxi yacht. A special and spectacular design, like that of every Sacs Marine boat, all born above all to reflect the style of their owner, even in the smallest details.
