

FERRETTI 630 (2006)

I D E A
YACHTING

DESCRIPTION

This Ferretti 630 is a full-option 20-meter flybridge yacht, equipped with a Gyro stabilizer and a third control station at the stern. This boat is in excellent condition, and her pure lines, high-quality finishes, and splendid furnishings make her a timeless creation that allows you to fully experience comfort and relaxation at sea. The expansive windows in the lounge provide 360-degree sea views, enhancing the sense of space and luxury.

The external spaces of the Ferretti 630 are masterfully utilized, offering a perfect blend of comfort and functionality. The large and very comfortable flybridge serves as a versatile area for relaxation and socializing, providing stunning panoramic views and ample seating. The aft dining area is an ideal spot for alfresco dining, designed to facilitate leisurely meals while enjoying the sea breeze.

This Ferretti 630 offers luxurious accommodation for six people in three exquisitely furnished cabins, each with its own private bathroom, ensuring utmost privacy and convenience. The master cabin, spanning the full beam of the boat, is a haven of peace and comfort. It features large open-view windows that allow natural light to flood the space, creating a relaxing atmosphere.

The VIP cabin, located at the bow, offers a similar level of comfort and elegance. Its spacious layout and plush bedding ensure a restful night's sleep, while the carefully chosen décor adds a touch of sophistication. The guest cabin, with its two flat beds, provides a cozy and inviting space for additional guests. Each cabin is thoughtfully designed to offer maximum comfort and tranquility, allowing all passengers to experience the ultimate in relaxation and luxury.

In recent years, the boat has undergone extensive works, ensuring she remains in pristine condition for your utmost enjoyment. These meticulous updates and enhancements have been carried out to maintain the highest standards of luxury and performance, guaranteeing that every aspect of the boat is in top-notch shape.
