

DESCRIPTION

Magnum Marine is the iconic american brand in the fast power boats world and one of the dream of most yacht owners.

This Magnum 40 is a high-performance renowned for her superior craftsmanship and engineering. With a sleek, aerodynamic profile and a powerful engine, this boat offers exceptional speed and stability on the water. The Magnum 40 features a deep-V hull design which provides excellent handling even in rough seas. Her composite construction offers durability while remaining lightweight, maximising performance.

In the main deck aft, she boasts an expansive and comfortable sunpad that invites you to relax in luxury. There is also an additional sunpad at the bow, perfect for soaking up the sun and enjoying the breathtaking views.

Furthermore, in lower deck is designed with comfort in mind, featuring well appointed cabin, spacious seating, high-quality finishes, and ample storage. She includes a well equipped galley and a bathroom, making her suitable for extended outings.

Featuring two powerful Cummins engines, this Magnum 40 boasts an extraordinary top speed of 36 knots, demonstrating her remarkable performance capabilities and making her ideal for thrill-seekers and those who enjoy fast-paced outings. Her advanced propulsion system ensures smooth acceleration and efficient fuel consumption.

She integrates the latest navigational and entertainment technologies, providing a seamless experience for boaters and boats an extensive refit in 2023 including a total repainting of hull and superstructure and new interior and exterior upholstery.

Overall, the Magnum 40 represents a perfect blend of luxury, performance, and practicality, making her an ideal choice for boating enthusiasts who demand the best in speed and comfort on the water.
