

PRIMATIST B 62' (2015)

I D E A
YACHTING

DESCRIPTION

The B62' Pininfarina features the classic deep V hull designed to optimize the performance of the IPS engine.

The analysis of the global layout and the study of the volumes fully reflect the Primatist family-feeling with the classic counter-inclined stern which accentuates the dynamism of the hull together with an "exercise in style" on the bow, a true distinctive sign of this project. Liveability and comfort are the primary concepts that add to those of safety and efficiency of performance and performance during navigation.

This beautiful Primatist is an excellent opportunity in turn-key condition, always stored in a shed in the winter months, all the shipyard's options, customized setup with modern finishes and quality materials, second control station for maneuvers in the cockpit, electric cockpit awning.
