

DESCRIPTION

The Dolphin 74' Cruiser is the brand's flagship for a demanding clientèle seeking the top in terms of seaworthiness, comfort and stylistic elegance. Ideal for lengthy cruises on the open sea, it stands out with its unique, innovative features previously unknown to the Lobster Boat segment: new, functional solutions and a cutting-edge concept enhance the notion of on-board liveability, fully-expressing the heritage of the shipyard's experience and the Ferretti Group's leadership.

She is the 4 cabin version, each with ensuite and has been very well maintained by his owner.

She carried out a total refit in 2023/2024.
