

## DESCRIPTION

---

Step aboard this exquisite Ferretti 830, a masterclass in luxury yachting that redefines the standard for opulent relaxation on the open sea. Crafted with slender, aerodynamic lines, the flybridge boasts a unique architectural design, with roll bars strategically positioned towards the bow. This innovation not only enhances the yacht's sleek profile but also provides a shaded haven over the sumptuous sofa, perfect for those sun-drenched afternoons. Elevate your relaxation experience with the inviting hot tub on the flybridge, where you can unwind while soaking in the extraordinary seascape.

Step inside, and you'll be enveloped by the quintessential Ferretti style showcased in the rich American cherry gloss furnishings and impeccable finishes throughout. The spacious lounge seamlessly integrates a separate dining area, while a well-equipped, closed galley ensures that culinary delights are never far away. Additionally, the main deck features a conveniently located day head, providing comfort and accessibility for guests.

With accommodations for up to 8 guests across 4 exquisite en-suite cabins, including a lavish full-beam master suite amidship complete with a spacious shower, a refined VIP cabin forward, and two elegant twin cabins, the Ferretti 830 guarantees an unparalleled retreat at sea. This stunning yacht is one of the esteemed Ferretti line that feature a breathtaking open-view window in the master bedroom, allowing you to bask in a panoramic ocean view, whether you're lounging in bed or indulging in the elegant en-suite bathroom.

With accommodations for up to 3 crew members, you can indulge in an atmosphere of understated luxury and privacy, knowing that your every need will be meticulously attended to. For enhanced comfort during your journeys, this magnificent yacht is equipped with double Gyro stabilizers and a jet ski garage that transforms into a beach club, making water activities and relaxation on your own private beach a breeze.

Powered by 2 Caterpillar engines delivering an impressive 1826 hp each, the Ferretti 830 effortlessly reaches exhilarating top speeds of 32 knots, cruising gracefully at 24 knots, allowing you and your guests to explore and enjoy every destination in style.
