

DESCRIPTION

The 2020 Princess V50 motor yacht, masterfully blends luxury, speed, and comfort, powered by twin Volvo Penta IPS engines that deliver 435 hp each, achieving a top speed of 31 knots. This vessel is ideal for both leisurely and adventurous outings, showcasing Princess' innovative design with an exceptional external cockpit featuring a protective canopy for al-fresco living.

Step inside to discover a meticulously crafted interior with a spacious, open-plan layout, abundant natural light from a retractable sunroof and large windows, creating an airy atmosphere. The cockpit is perfect for entertaining, equipped with ample seating, a wet bar and grill, alongside a sunbathing area on the foredeck. A garage accommodates a tender and water toys while a hydraulic bathing platform offers easy sea access.

Below deck, the harmoniously integrated galley and dinette area is elegantly appointed for intimate meals and gatherings, featuring modern appliances and a high-low table that converts to an occasional berth.

The V50 includes two thoughtfully designed cabins, accommodating up to four guests. The ensuite master bedroom exudes tranquility with large windows and luxurious finishes, while the versatile guest cabin features scissor berths that convert from twins to a double, ensuring comfort for all. An adjacent bathroom serves as a day head, combining convenience with elegance.

This Princess V50 stands as a symbol of innovative design, luxurious amenities, and exceptional performance, making it the perfect choice for discerning cruisers seeking the best on the open seas.
