

DESCRIPTION

This Sunseeker Predator 68 has been meticulously refitted to deliver both elegance and performance. Featuring a brand-new interior complemented by a comprehensive overhaul of the main engines, now boasting a full rebuild, and newly installed stabilizers, this boat exemplifies precision engineering and luxurious comfort. The open deck design offers a seamless and inviting space, adorned with recently laid teak flooring, plush new cushions, and upgraded navigation systems for enhanced safety and ease of use.

The installation of the latest Quick stabilizers ensures exceptional stability, allowing for a smooth and steady ride even at zero speed. Inside, the salon was tastefully refitted with calming grey tones, and recent updates in 2022/2023 have kept the yacht at the forefront of modern design and functionality. The well-appointed layout includes three spacious cabins and two bathrooms, making her ideal for comfortable cruising or entertaining guests.

A stunning example of a high-performance sports yacht, this Predator 68 is turnkey and ready for viewing in Southern France. She offers an unmatched combination of style, comfort, and cutting-edge technology, truly a boat that stands out in every sense.
