

TIARA YACHTS 4200 OPEN (2005) I D E A YACHTING

DESCRIPTION

The Tiara 4200 Open is a well-regarded sportfishing vessel, known for its blend of performance, comfort, and style. With sleek lines and a robust build, the Tiara 4200 Open stands out in both design and functionality.

The exterior of the Tiara 4200 Open features a striking profile characterized by its sporty silhouette and a spacious cockpit area. The large, open deck is designed for fishing or entertaining, with ample space for rods, tackle and gear. The helm station is ergonomically designed, offering excellent visibility and easy access to controls, making it a breeze to manoeuvre in various conditions. The boat is equipped with high-quality stainless steel fittings and durable materials that enhance its seaworthiness and aesthetic appeal.

Step aboard the Tiara 4200 Open, where a thoughtfully designed two-cabin layout harmonizes comfort and functionality. The master cabin, situated at the bow, offers a serene retreat, while the guest cabin, featuring a cozy bunk bed, is conveniently positioned on the starboard side. Additionally, a well-appointed head with dual access enhances privacy and convenience, accessible from both the master cabin and the dinette. The interior features high-end finishes, including rich woods and plush upholstery. The layout includes a meticulously designed galley and an inviting dinette, perfect for relaxation and socializing. The dinette easily converts into an extra bed for two, providing additional sleeping space when needed. Expansive windows flood the interior with natural light, creating a warm and welcoming ambiance throughout.

Powered by twin Caterpillar engines, the Tiara 4200 Open delivers impressive performance on the water. The boat's hull design contributes to its stability and fuel efficiency, making it a great choice for both long-distance cruising and day trips.
