

Sister Ship

DESCRIPTION

Discover the exceptional Sunseeker Manhattan 62 from 1997, a luxurious and meticulously maintained yacht boasting impressive performance and elegant design. Powered by two robust MTU engines each delivering 760 HP, with only 2,198 hours logged, this vessel offers both power and reliability for memorable cruising experiences.

Inside, the yacht features spacious accommodation with three comfortable cabins, two modern bathrooms, and a dedicated crew cabin, ensuring comfort for owner and guests alike. The interior has been fully refurbished in 2020/2021, showcasing upgraded upholstery, exquisite woodwork, and flawless varnish, creating a stylish and inviting ambiance.

Equipped with a Kohler 12kW generator, watermaker, and comprehensive air conditioning, this yacht is prepared for extended voyages in comfort. Recent engine overhauls (2014, with an €80,000 invoice) and a generator overhaul have been completed, with only 500 hours since the last major service, ensuring optimal performance.

Navigation and safety are top-notch with a Raymarine Axiom GPS (2018), Raymarine Radar (2020), AIS, bow and stern thrusters, and full LED lighting, providing advanced control and visibility. Additional features include a watermaker for long-range cruising and a VAT-paid status, simplifying ownership.

This Sunseeker Manhattan 62 is a fully equipped, beautifully refitted yacht ready to offer luxurious adventures on the water. Nothing is missing from this stunning vessel—just bring your passion for sailing and enjoy!
