

DESCRIPTION

The Evo 43 is a striking 2016 model that perfectly embodies Italian innovation, craftsmanship, and design. Measuring 13.12 meters in length with a maximum beam of 4.52 meters (extending to 6.32 meters with the expandable bulwarks) and a draft of 1.10 meters, she offers an ideal combination of sleek lines and impressive versatility. Many recent works and upgrades have been completed, ensuring she is presented in excellent condition and ready for immediate use.

Her interiors are luxurious yet minimalist, showcasing premium materials and refined finishes throughout. The layout features two elegant cabins and one well-appointed bathroom, offering a balance of comfort and contemporary style. Every detail has been designed to maximize livability and enhance the onboard experience.

Powered by Volvo Penta IPS engines, the Evo 43 delivers exceptional performance, easy handling, and remarkable fuel efficiency. The yacht is equipped with advanced Garmin navigation systems and features an innovative hydraulic system that expands the main deck to an impressive 27 square meters, creating a generous open space for relaxation and entertainment. Combining modern technology with timeless Italian design, the Evo 43 stands out as a true expression of elegance, functionality, and performance.
