

NIMA

OVERMARINE MANGUSTA 80 OPEN (2005)

I D E A
YACHTING

DESCRIPTION

The 2005 Overmarine Mangusta 80 “NIMA” is a remarkable example of Italian craftsmanship, combining luxury, style, and high performance in one of the most iconic open yachts ever built. With her twin 2,000hp MTU engines, she reaches exhilarating speeds of up to 41 knots and comfortably cruises between 34 and 36 knots, delivering both power and precision. Her sleek GRP planing hull ensures smooth handling and impressive efficiency at high speeds.

The interior of NIMA reflects timeless Italian elegance, featuring a full-beam salon with a bright, open layout ideal for relaxation and socializing. She accommodates up to eight guests across four cabins — one owner’s suite, one double, one twin with pullman bed, and one single —each with its own ensuite bathroom. The refined finishes and attention to detail throughout create an inviting atmosphere that blends comfort with sophistication.

On deck, NIMA offers expansive sunbathing areas at both the bow and stern, a large swim platform, and a tender garage, providing the perfect setting for outdoor enjoyment. Combining sporty design, luxurious interiors, and top-tier performance, the Mangusta 80 NIMA stands as a true expression of speed, comfort, and Italian design excellence.
