

VANIRA

SUNSEEKER PORTOFINO 53 MKII (2007)

I D E A
YACHTING

DESCRIPTION

An excellent opportunity to acquire an outstanding example of this ever-popular 6-berth Sunseeker sports cruiser. VANIRA combines timeless design, powerful performance, and luxurious comfort — a true reflection of Sunseeker's renowned craftsmanship.

Presented in very good condition, this yacht has had only two owners since new, holds a European tax-paid status, and has benefited from several recent improvements this season, including new teak decking on the cockpit and swimming platform.

Powered by twin MAN R6 800 HP engines — the top specification available at the time of build — she delivers exhilarating performance and effortless handling. The desirable MK II Hard Top adds further comfort and practicality, enhancing her appeal for both day cruising and extended trips.

Whether you're entertaining guests or enjoying a peaceful escape, VANIRA offers an exceptional on-water experience that seamlessly blends style, sophistication, and performance.

Viewing highly recommended.
