

DESCRIPTION

A Unique Bertram 31 with an important refit made in 2025.

This exceptional model offers a unique opportunity to complete the personalization and tailor it entirely to your preferences.

A detailed project plan is already defined, with completion scheduled for 2026 at a first-class shipyard. Once finalized, the vessel will be newly constructed with CE approval, ensuring compliance with modern standards.

This is a project boat with remarkable potential and flexibility for personalization. For a comprehensive overview of the project, timelines, and customization options, please contact us.
