

DESCRIPTION

A Unique Bertram 32 – A Rare Opportunity for True Bertram Enthusiasts

This exceptional model, developed from a classic Bertram 30, offers a unique opportunity to complete and fully customize a Bertram 32 to your exact preferences. It represents an outstanding deal and a solid investment for passionate admirers of the Bertram legacy.

A detailed project plan is already defined, with completion scheduled for 2026 at a first-class shipyard. Once finalized, the vessel will be newly constructed (2026) and brought close to full CE approval, ensuring compliance with modern standards.

This is a project boat with remarkable potential and flexibility for personalization. For a comprehensive overview of the project, timelines, and customization options, please contact us.
