YACHTING

## DESCRIPTION

La Pausa is an exceptional example of the Custom Line Navetta 26, blending timeless elegance with the perfect balance of comfort, performance, and functionality. With her 5-cabin layout and MCA registration under 24 meters, she is an ideal choice for private cruising or charter operations, currently generating around €500,000 per year in charter revenue.

The yacht features a master suite on the main deck with a private ensuite, a VIP cabin on the lower deck, and three twin cabins—two of which include Pullman berths—each with ensuite facilities. A day head is conveniently located on the main deck. Designed with an abundance of interior volume, La Pausa offers generous spaces throughout for dining, relaxation, and entertainment. Her refined interior design creates an inviting atmosphere, while the exterior decks provide ample areas for sunbathing and alfresco dining.

With a cruising speed of 12 knots and a range of 1,500 nautical miles, La Pausa ensures smooth and comfortable cruising, enhanced by both fins stabilizers and Mitsubishi ARG systems. Presented in turn-key condition, she accommodates up to 12 guests in luxury and 4 crew in comfort, delivering a truly seamless and sophisticated yachting experience.
