PRINCESS YACHTS 57 (2004)

IDEA YACHTING

DESCRIPTION

Discover the Princess 57 (2004) — a proven and dependable choice for cruising with complete peace of mind. Powered by twin Volvo D12-715 shaft-drive engines, she offers exceptional strength, torque, and reliability. This model is renowned for its rare combination of elegance, generous space, and strong performance, making it an ideal yacht for family cruising.

On board, the layout features three beautifully appointed cabins, including a master suite with the largest bed in its class—a true sanctuary at sea. The upgraded, latest-generation electronics meet modern standards, while a yacht controller ensures effortless manoeuvring in any harbour. The yacht benefits from consistent professional care, including annual hull polishing and mechanical servicing, reflecting the owner's meticulous attention.A standout feature of this Princess 57 is the extended Bimini, providing shade across nearly the entire flybridge—a rare and highly practical enhancement. The full air-conditioning system ensures comfort even in peak summer temperatures.

With her timeless lines, spacious interior volume, and superb seakeeping, the Princess 57 represents a smart and dependable choice for discerning yacht owners seeking quality, comfort, and confidence at sea.
