# RIVA 56 RIVALE (2023)

I D E A  
YACHTING

## DESCRIPTION

Seductive and powerful, the 56' Rivale stands as an exceptional open cruiser, radiating confidence and sporty elegance through a series of ingenious, distinctive design solutions. Born from the collaboration between Officina Italiana Design and the Ferretti Group Engineering team, she represents a refined synthesis of the elements that have elevated Riva to the very summit of the yachting world.

Impeccable craftsmanship, artistic excellence, and cutting-edge technology converge in a yacht that captivates at first glance. Presented in immaculate condition and offered by her sole owner since new, she is equipped with Seakeeper stabilizers to ensure superior comfort both underway and at anchor. The interior layout features two elegant ensuite guest cabins, complemented by a separate crew cabin with private bathroom, making her perfectly suited for extended stays as well as refined day cruising.

Currently stored indoors in a shed in Sardinia, the yacht is available for viewings at short notice, offering a rare opportunity to experience the Riva legend in its purest and most exhilarating form.
