

DESCRIPTION

The Princess V65 MKII is one of the most iconic and successful models ever built by Princess Yachts, combining sleek styling, luxurious comfort, and outstanding seakeeping. This particular example represents the ultimate edition of the range.

Powered by twin MTU 1,523 HP engines, she is among the fastest V65s built, delivering exhilarating performance with excellent handling. With very low engine hours, she presents in superb mechanical condition.

Her specification includes a hydraulically lowering bathing platform and an electric sliding hardtop with integrated skylights, creating a bright and versatile cockpit ideal for entertaining. Generous exterior sunpads and spacious living areas enhance her open-yacht appeal.

Highly specified with numerous optional extras and maintained in mint, like-new condition, this V65 MKII is a turnkey opportunity for an owner seeking speed, style, and proven Princess quality.

A rare chance to acquire a truly exceptional example of this sought-after model.
