

DESCRIPTION

The Ferretti 46 is a refined and highly successful motor yacht, offering an excellent balance between elegant Italian styling, comfortable interiors and practical outdoor spaces.

This example has been known since her construction and sold to her current owner, with a complete service and maintenance history available, providing excellent traceability throughout her life.

Her accommodation includes three cabins: one spacious double cabin and two twin cabins, complemented by two heads. The interior features warm cherry wood and elegant beige leather, creating a sophisticated yet welcoming atmosphere.

The yacht is equipped with air conditioning, bow thruster and an 8 kW generator, ensuring comfort and ease of operation both underway and at anchor.

She has benefited from annual maintenance, with significant work carried out in 2020, including an overhaul with new cylinder heads and refrigerators.

A well-maintained example with a documented history, combining Pershing's unmistakable Italian character with a practical and comfortable layout.

A highly interesting opportunity for those looking for a classic Ferretti with proven ownership history and ongoing maintenance.
