

DESCRIPTION

The Princess 82 is a sophisticated 2014 motor yacht offering exceptional comfort, generous outdoor spaces and an impressive level of customization. Originally designed to combine high performance with refined cruising, this example has been extensively customized by her owner, resulting in a truly exceptional specification with a comprehensive range of additional features.

The yacht accommodates guests in four spacious cabins, all with ensuite bathrooms, providing privacy and comfort for extended cruising. Her interior combines elegant finishes with a practical layout, while the generous living areas create a welcoming environment for both relaxed family cruising and entertaining. Her exterior spaces are equally impressive. The flybridge is designed as a versatile entertainment area and features a Jacuzzi, teak decking and ample space for sunbathing and alfresco dining. The yacht is also equipped with a hydraulic swimming platform, providing easy access to the sea and enhancing the overall enjoyment of the yacht's extensive water-sports capabilities.

With her impressive specification, four ensuite cabins and highly customized layout, this Princess 82 represents a particularly well-equipped example of the model. A viewing is highly recommended to fully appreciate the quality, customization and extensive range of extras on board.
