

BREEZE

CNM CONTINENTAL 50 TENDER (2008)

I D E A
YACHTING

DESCRIPTION

The CNM Continental 50 BREEZE 2008 combines Italian design, sporty elegance and refined comfort. Benefiting from a complete refit in 2022, including the installation of new engines and a new generator, BREEZE offers an appealing combination of style, functionality and modernized equipment.

Her exterior spaces are designed to maximise enjoyment at sea. The forward cockpit features a spacious U-shaped seating area, a convertible sunbathing area and a removable sunshade canopy, creating the perfect setting for relaxation. A generous aft sunpad provides additional space for sunbathing, while the opening side terraces extend the usable deck area, enhancing the connection with the sea. The large teak-covered swim platform ensures convenient access to the water and adds to the yacht's appeal.

Below deck, the salon offers a welcoming and comfortable atmosphere, complemented by a television and a Bose audio system for onboard entertainment. Combining versatile outdoor living areas with a comfortable interior and the benefits of her 2022 refit, BREEZE represents an attractive opportunity for those seeking a stylish Italian motor yacht for memorable days at sea.
