

PILOU

GRAND BANKS 49 CLASSIC (1991)

I D E A
YACHTING

DESCRIPTION

A timeless example of the renowned Grand Banks 49 Classic, PILOU combines traditional craftsmanship, exceptional seaworthiness and the comfort of a true cruising yacht. Her spacious interior features a generous salon with dinette and sofa, beautifully finished throughout in solid teak, including both furniture and flooring, creating a warm and elegant atmosphere.

Accommodation comprises three double cabins and two bathrooms, with a third concealed WC in the forward cabin, offering excellent privacy and comfort for family and guests during extended cruising. The spacious master cabin is positioned amidships and benefits from a dedicated entrance, also accessible directly from the cockpit.

PILOU has been thoughtfully upgraded for modern and independent cruising, including a silent Fisher Panda generator with water/exhaust separator, completely overhauled to zero hours in 2026, a lithium battery bank and solar panels. Her maintenance programme is equally comprehensive, with engine and generator servicing carried out annually, while heat exchangers and pumps are serviced every three years.

A rare opportunity to own a classic Grand Banks combining proven reliability, generous volumes, elegant teak interiors and modern technical upgrades, ideal for long-range cruising and extended stays onboard.
