TIME TO TIME

BERTRAM YACHT 570 CONVERTIBLE (2007)

DESCRIPTION

TIME TO TIME is a Bertram 570 (2007), a classic American sportfishing motor yacht renowned for her solid construction, excellent seakeeping and offshore performance. Combining the unmistakable Bertram pedigree with generous onboard spaces, she offers an ideal solution for comfortable cruising and extended stays at sea.
Her accommodation comprises three guest cabins and three bathrooms, providing comfortable and private spaces for family and guests. An additional crew cabin is also available, currently used for storage.
Powered by twin CAT C32 engines delivering 1,670 HP each, TIME TO TIME benefits from a series of recent technical improvements and maintenance works. New seawater pumps were installed in 2025, while 2026 saw the replacement of the engine mounts and shaft bearings and a complete overhaul of the watermaker. The bow thruster windlass was also overhauled in 2024.
A well-established model in the Bertram range, the 570 combines robust engineering, impressive offshore capabilities and practical accommodation, making TIME TO TIME an attractive opportunity for anyone seeking a capable and proven sportfishing yacht.
